

Route Descriptions

This map depicts paths that are low to moderate in difficulty. Not all are ADA accessible. Walkers assume risk for their own safety when walking the routes indicated on this map. The descriptions below should give you an idea of difficulty and potential obstacles.

The Red Route

This route is 2 miles long and takes approximately one hour to walk. This route includes lots of ups and downs and trail connections. You'll stroll through residential neighborhoods and right by the North Kirkland Community Center. At this time, there is no trail connection on the south side of Juanita High School. The city is coordinating with neighboring property owners to determine interest in this connection.

The Yellow Route

This route is 1.3 miles long and takes approximately 40 minutes to walk. It passes by McAuliffe Park, which is a nice rest stop or exploration point. The streets are residential in character, with some hilly sections. Sidewalks are available along the whole route.

The Orange Route

This route is 3 miles long and takes approximately 90 minutes to walk. Enjoy the scenery and breathtaking views from Juanita Beach Park and then grab a coffee or bite to eat at Juanita Village. The rest of the walk takes you through nearby residential neighborhoods. This walk is almost exclusively along sidewalks, except for a short stretch on 94th Avenue NE that includes some walking on the shoulder.

The Green Route

This route is 1 mile long and takes approximately 30 minutes to walk. It's a steep up and down with two sets of stairs. It takes through a mix of residential and commercial neighborhoods. Stroll through The Enclave, a residential community to an interesting territorial viewpoint. Then proceed down the stairs to a walking loop nestled within the office development. Here there are good connections to nearby shopping.

The Purple Route

This route is 2.25 miles long and takes approximately one hour. It includes uphill and downhill segments and a portion of unpaved trail. This route connects to the AG Bell trail connector. It goes up a paved, lighted path behind the Park at Forbes Creek Apartments, through residential neighborhoods and along a lovely, unpaved trail on the NE 108th Street right of way. This loop connects to Crestwoods Park via a stairway at the south end of 108th Avenue NE.

The Blue Connectors

These connections link the walking loops. While these connections are mostly along sidewalks or paved trails, they do include some unpaved trails near the A.G. Bell School.
